

Looking for a Healthier Lifestyle?

New Medicare Benefits Are Here!

Living a healthy lifestyle is important and Medicare wants to help you stay healthy. People with Medicare can now start taking advantage of the following preventive services:

Cardiovascular Screening

Medicare covers cardiovascular screening tests for early detection of, or to identify a high risk for developing, heart disease.

Diabetes Screening

Medicare covers diabetes screening to find out if you have diabetes or if you are at high risk for it.

A one-time "Welcome to Medicare" Physical Exam

Medicare will cover a one-time "Welcome to Medicare" physical exam within the first six months after you have Medicare Part B.
